Additional Information on Curriculum and Academic Course Offerings

Franklin Academy is a college-prep four-year public charter high school enrolling 500+ students in grades 9–12. Franklin Academy's academic program is organized on a period based schedule where academic courses are completed over the course of a yearlong period. This period-based schedule provides continuity in instruction and also allows for increased instructional time over the course of the year allowing students to maximize learning time. On average students earn a minimum of seven credits per year; however, students do have the option to earn additional credits through zero period courses. We currently offer a wide variety of academic and elective classes in addition to 21 AP Courses and 38 Honors Courses.
